

Adding the Prinergy Refiner PPD in OS X

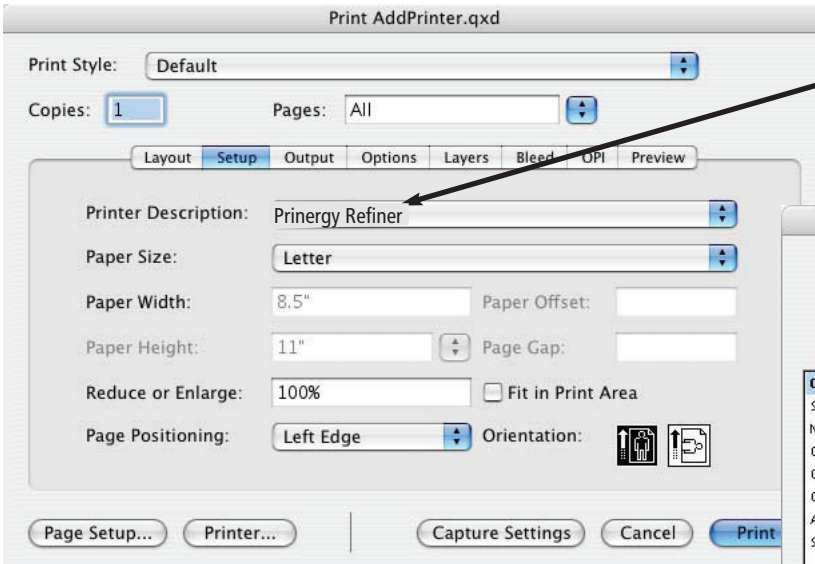

Once you receive the PPD from Turley Publications, unstuff it and place the "Prinergy Refiner" PPD into this location. . .

MacintoshHD\Library\Printers\PPDs\Contents\Resources\en.lproj folder.

Once placed in here and you launch any application, you will have this as a choice in the "PPD" popup.

Quark Print Screen

Indesign Print Screen
